

SwingLeft

Swing Left is a national grassroots network of over **300,000 volunteers** supporting Democratic candidates in 64 Swing Districts, with the goal of flipping the House in 2018.

Go to **SwingLeft.org** and enter your zip code to find a Swing District near you.

Why the House?

The House has a huge role in putting a check on Trump's policies.

Since powers are shared between the House and the Senate, taking back the House would re-establish balance of power and help block this administration's more radical policies.

The House is winnable.

We only need to **flip 24 of 64 target districts** to take back the House. Turnout is low in midterm elections and races are won or lost on small margins, so just a few votes have a real impact!

How to Take Action!

Talk to Voters

We're out talking to voters because the stakes are just too high to wait. For a calendar of voter contact events go to:
swingleft.org/district-resources

Research our Districts

Our Volunteer Research Team gathers information about the District so we can improve our outreach. Sign up at:
swingleft.org/research

Donate or Fundraise

We raise money for the eventual Democratic candidate, so he or she can hit the ground running on day one. Donate at:
