

# Contribution Form for Individuals & Federal PACs

## Contributor Information:

NAME	EMAIL	PHONE	
ADDRESS	CITY	STATE	ZIP CODE
OCCUPATION	EMPLOYER		

Federal law requires us to use our best efforts to collect and report the name, mailing address, occupation, and employer name for individuals whose contributions exceed \$200 in a calendar year.

## Contribution Amount:

I wish to contribute \$ \_\_\_\_\_ to the **Keep Virginia Blue Fund** to support the eventual Democratic nominee for Governor of Virginia and the eventual Democratic nominees for Swing Left's targeted Virginia House of Delegates races. *This fund has no maximum contribution limit.*

I wish to contribute \$ \_\_\_\_\_ to the **Defend Democracy Fund** to support the eventual Democratic nominees running against House Republicans who voted to invalidate the November election results and overturn the will of the people.

I wish to contribute \$ \_\_\_\_\_ to **Swing Left's national efforts**, which include retaining a world-class staff of organizing professionals and mobilizing a grassroots army of activists and volunteers.

Donations to the Defend Democracy Fund will be held by Swing Left until March 31st, 2022. On March 31st, 2022, Swing Left will allocate all funds equally among the Democratic opponents of Members of Congress who (1) voted to invalidate the certified election results in Arizona on 1/6/21 and/or Pennsylvania on 1/7/21 and (2) are running in a district that is rated as "Lean Democratic", "Lean Republican" or "Toss-Up" by Cook Political Report as of 3/31/22. If there is a Democratic nominee already declared, Swing Left will distribute the corresponding funds within 10 days. If not, Swing Left will distribute the corresponding funds within 10 days of a Democratic nominee being declared. If no Democratic nominee is declared, or if the district is subsequently drawn out of the map due to redistricting, the allocated funds will be reallocated among the other districts that meet the criteria above. If no districts meet both criteria above, the donated funds will go to Swing Left.

This form includes one or more Nominee Funds for offices that are currently held by Republican incumbents. Contributions to a Nominee Fund will be sent to the Democrat nominated to challenge the incumbent for the designated office. Contributions to a Nominee Fund will count towards your general election contribution limit (currently \$2,900) to the respective candidate.

Consistent with federal law, Swing Left makes federal contributions from one account (the "Contribution Account") and engages in some political activity from the other account (the "Non-Contribution account") where applicable. Swing Left can accept up to \$5,000 per calendar year from an individual into its Contribution Account. By contributing here, you agree that the first \$5,000 of your contribution will be deposited in Swing Left's Contribution Account and the remainder in Swing Left's Non-Contribution Account.

- ☐ By checking this box, you certify that you are a US citizen or lawfully admitted permanent resident, that you are making this contribution with your own personal funds—not those of another person or entity—and that the funds have not been provided by a corporation, labor union, foreign national, federal contractor, or national bank.
